

Are you ready to elevate your sports analysis skills to the next level? Join us for a self-paced HUDL Sportscode Level 1 Workshop!

Validate your skills, become a certified user and join the Hudl community. Whether you're a coach, analyst, or sports enthusiast, this workshop is your gateway to unlocking the power of HUDL Sportscode.

## Hudl Sportscode Analyst Certification Outline

### Workshop curriculum

- Software introduction
- Planning and building a workflow
- Key Performance Indicators
- Objective vs subjective approaches
- Code windows
- Coding games
- Presentation tools

### What will I gain?

- **In-depth sports analysis skills:** Learn to use HUDL Sportscode like a pro.
- **Self-paced learning:** Complete the workshop on your own pace within two weeks.
- **Hands-on experience:** Complete the workshop on your own Macbook, or we will provide you one for on-site use.
- **HUDL Sportscode license:** Participants will receive an Elite review license for the duration of the workshop. After the workshop, participants will receive a discounted price if they purchase a license of their own.
